CREATION OF A UNIQUE STUDENT IDENTIFIER (USI)

A **Unique Student Identifier (USI)** is your individual education number for life. It creates an online record of any training and qualifications you've attained in Australia – you only need to create it once. If you're studying onshore since January 2023, you'll **need a USI** to be able to graduate and receive your testamur.

Not providing a USI may result in a sanction which will prevent you from receiving your final award.
